

War in the Pacific National Historical Park

Working with Guam

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

1 national parks

219,349 visitors to national parks (in 2010)

\$8,521,000 economic benefit from national park tourism (in 2009)

122 National Register of Historic Places listings

2,324 hours donated by volunteers (in 2010)

4 National Natural Landmarks

\$2,123,628 in Land & Water Conservation Fund grants (since 1965)

88 federal acres transferred for local parks and recreation (since 1948)

\$8,361,608 in historic preservation grants

4 historic places documented by the National Park Service

26,982 objects in national park museum collections

2 threatened and endangered species in national parks

51 archeological sites in national parks

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
